Living in Love is a program of the Pastoral and Matrimonial Renewal Center

A Mission to Love... Couples who stay successfully and happily married have made marriage their mission. They choose not to 'settle down' but instead adopt a proactive approach to put the fun and delight into being a man and a woman in love. This day and a half parish-based event provides the inspiration and insight that enables each couple to create the lifestyle and marriage they have always dreamed of. Clearly there is a difference between loving and being "in love". **Living in Love** offers liberating insight into how differently men and women prefer to achieve intimacy and helps couples get in touch with the resources that draw them to each other and fuel their passion.

Facilitated by parish couples, the weekend is a series of presentations followed by questions for reflection and discussion so that couples can explore the topics together in complete privacy. There is no group discussion or counseling. Topics include: Dreams and Memories • Formation in the Family • Cultural Barriers • Trust • Reconciliation • Affirmation • Signs and Wonders • Living in Love • and Vision.
